- Data Analysis
- UI/UX

EDUCATION

HND Computer Science
Federal Polytechnic Idah

Oct 2019 - Jan 2022

Distinction

CERTIFICATION

Frontend Developer
TIIDELab initiatives

June 2023 - Dec 2023

PROFILE

A highly committed, consistent, and resilient individual with a drive to create exceptional user experiences through the use of HTML, CSS, Javascript, ReactJs, and other technologies seeking a position to leverage strong technical and problem-solving skills and extensive web development knowledge to achieve organizational efficiency, reduce page load speeds, and optimize user interfaces

WORK EXPERIENCE

INsure

Frontend Developer

TIIDELab Initiave | Abuja, Nigeria.   June 2023 - Dec 2023

- Played a pivotal role in the development and implementation of INsure, a cutting-edge insurance sales management application designed to streamline lead tracking and enhance the efficiency of insurance agents.
- Leveraged expertise in front-end technologies, including HTML, CSS, JavaScript, and React to create an intuitive and visually appealing user interface, contributing significantly to a positive user experience.
- Demonstrated a keen understanding of industry best practices, adhering to coding standards, and implementing responsive design principles to guarantee a consistent and engaging experience across various devices.
- Successfully delivered the project within established timelines, showcasing strong project management skills and commitment to meeting client requirements.

Todoify   Nov 2023 - Dec 2023

Frontend Developer

Independent Project

- Conceptualized, designed, and implemented a robust task tracker web application from the ground up, incorporating essential CRUD (Create, Read, Update, Delete) operations for seamless task management.
- Utilized HTML, CSS, and JavaScript, to create an intuitive and responsive user interface that enhances user experience.
- Demonstrated a keen focus on user feedback, iterating on the application's features and functionality to enhance usability and overall user satisfaction.
